# SAFE PADDLING IN ONTARIO'S LAKE COUNTRY

**SAFETY TIPS:** Paddling conditions on the rivers, inland lakes and Georgian Bay are affected by natural processes, the seasons and continual change. This publication provides general information only and should not be regarded as a detailed guide of actual conditions you might encounter. Please remember that canoeing, kayaking and standup paddle boarding can be dangerous activities.

Since weather conditions can change quickly, make sure to bring appropriate clothing for dry and wet weather.

By law canoes and kayaks must be equipped with the following:

- Personal Flotation Device (PFD) or life jacket for everyone on board
- Buoyant throw line at least 15m (50ft) long
- Spare paddle, bailer or manual water pump
- Sound signaling device

\* Safety gear can be rented or purchased from local outfitters.

**LITTER & FIRES:** Please help preserve the natural beauty of these areas. Use established campsites only, put litter in proper receptacles and keep fires small and in approved areas. Take home what you bring in.

**PRIVATE PROPERTY:** There is private property along the shores of many of the listed routes. Please pull off on public shoreline or designated access points.

**DISCLAIMER:** While every effort has been made to ensure the accuracy of this map, inaccuracies or changes may occur. The participating organizations (Ontario's Lake Country, County of Simcoe, Regional Tourism Organization 7 (RT07)), or the Province of Ontario are not responsible for any variations from the printed information.

This paddling map has been developed to assist in planning paddling trips through Ontario's Lake Country. Users of this paddling guide are responsible for their own safety and use the routes at their own risk. Users should consider water conditions and level of experience and comfort of paddling with motorized boats, weather conditions, time of day and obstacles including debris and other hazards. Paddlers should exercise the same level of caution whether paddling on a route designated in this guide or any non-designated routes. This is not intended as a guide for children. The participating organizations and others involved in the design and publication of this guide and the routes are not responsible for any loss or damage users suffer as a result of using this paddling guide. These same organizations and their partners do not warrant the safety of routes, waterways, access points of launches shown on the paddling maps.

**WAIVER:** Having read this foregoing material and as a condition of using this paddling guide map, the users of this paddling guide map waive, release, and discharge, for themselves, and their heirs, executors, administrators, successors, and assigns, any right or claims which the users have or may hereafter have against the directors, officers, employees, owners, volunteers, and the staff of Ontario's Lake Country, the County of Simcoe, Regional Tourism Organization 7, the Province of Ontario and other sponsoring businesses of the participating organizations for any and all damages which may be sustained by the users directly or indirectly in connection with their use of this paddling guide map or the water routes.

# ONTARIO'S LAKE COUNTRY

Ontario's Lake Country is Orillia and area's four season playground! It is one of Ontario's most picturesque regions with radiant lakes and rivers and an array of activities for all to enjoy year-round. We are located just one hour north of Toronto, on the shores of Lake Simcoe and Lake Couchiching and along the Trent Severn Waterway. Though Ontario's Lake Country's assets are plentiful, none are more perfect than its shimmering lakes, rivers, and streams. In fact, some of the best paddling opportunities, recreational boating and water sports in Canada can be found here.

Visit our website for a digital copy of the paddling maps and for a list of current festivals and events as well as great accommodation packages and outdoor recreation opportunities.

# DISCOVER FISHING

Fishing opportunities in Ontario's Lake Country abound. Although shore fishing can be productive, paddlers have a distinct advantage. "Mobility is often the key to success," says Wil Wegman, award winning outdoor writer and fishing seminar host. "Paddlers are able to go to the fish, instead of waiting for the fish to come to them, and this can be a game changer - regardless of whether they are fishing Lake Country's fish-filled lakes or our beautiful rivers," he said.

Please be sure to follow the Ministry of Natural Resources guidelines and fish within the seasons, it is your responsibility to know the regulations including catch limits, tags and other requirements.

Licenses to fish are mandatory in Ontario. They may be purchased from most sporting goods stores, tourist operators and Ministry of Natural

Resources. For more information on fishing including outfitters, packages and more visit [OntariosLakeCountry.com](http://OntariosLakeCountry.com)

# Orillia's Cultural Route

## CITY OF ORILLIA

Couchiching Beach Park

**WATERWAY** Lake Couchiching

**DISTANCE** 10km Loop

**TIME** 3-4 Hours

**DIFFICULTY** Easy

**TYPE OF ROUTE** Loop & Linear

Orillia's history is tied to the water and this route features cultural landmarks found along Lake Couchiching's shore. It features famous monuments and historical buildings like the statue of Samuel de Champlain and the Orillia Bandstand. The vibrant Couchiching Beach Park, connected to Downtown Orillia is on the grounds of the original village plot and industrial waterfront where steamboats carried lumber and passengers throughout the watershed along the Trent-Severn Waterway. Paddlers enter the water at the second beach in the park, travel between the breakwall and the Port of Orillia and then follow the shoreline. From the water you will see the historic Champlain Sailing Club and enter tranquil Old Brewery Bay. You will arrive at the Stephen Leacock Museum & Café, the summer home where the famous author was inspired to write *Sunshine Sketches of a Little Town*. Then continue along to Tudhope Memorial Park, a bronze statue of singer and poet Gordon Lightfoot, and a memorial to the sinking of the Edmund Fitzgerald can be found along the point, enter through Portage Bay. This route can be done in either direction and has the opportunity to connect with great walking and cycling trails.

Narrows

**WATERWAY** Lake Couchiching, Narrows, Lake Simcoe

**DISTANCE** 13 km Loop

**TIME** 4-6 Hours

**DIFFICULTY** Intermediate/Advanced

**TYPE OF ROUTE** Loop

Paddle through Lakes Simcoe and Couchiching and visit a National Historic Site of Canada: the Mnjikaning Fish Weirs. Located just below the surface in the Narrows, which connects Lake Simcoe to Lake Couchiching, the weirs are an important site of gathering and healing for First Nations people. The word Mnjikaning is Ojibwe which translates to “fish fence” and the weirs are a system of wooden stakes used to catch fish entering Lake Couchiching. As paddlers travel Lake Couchiching they will pass some small islands. On main land you can connect with multi use trails and parks. There are picnic spots and beaches for swimming, providing an abundance of scenic natural landscapes and wildlife viewing along this route.

TOWNSHIP OF  
RAMARA & SEVERN

**WATERWAY** Green River

**DISTANCE** 7-9 km Loop

**TIME** 2-3 Hours Out & Back

**DIFFICULTY** Easy

**TYPE OF ROUTE** Loop

The Green River is a true hidden gem in Ontario's Lake Country. The quiet waters are in the middle of nature where the feeling of remoteness is present. The river is named for its green colour and clear waters, and this is evident where it meets up with the Black River. Paddle this route where you will pass marsh areas with beaver lodges and beautiful birds and see the fish swim through the crystal clear waters. Just past Mill Island you will come to the Washago Grist Mill, originally built in 1873, currently used as a private residence; to the left of the mill is a small waterfall. To the other side of Mill Island you will find a town dock where you can connect to the quaint village of Washago, a perfect spot to grab a refreshment. You can continue your route up to the Northwest end of the river where you will find a small rapid that ends this portion of the river at a private property. If you are ambitious and want to extend your paddle, you can connect with the Black River and venture to Wasdell Falls or Black River Wilderness Route.

Black River Wilderness Park

**WATERWAY** Black River

**DISTANCE** 8 km Linear

**TIME** 3-4 hours

**DIFFICULTY** Intermediate/Advanced

**TYPE OF ROUTE** Loop

The Black River is a synonym for serenity, this winding river takes you to remote sections where you feel as if you are kilometers away from civilization. This popular waterway has it all, from several small white-water sections which are popular among beginner white-water paddlers to peaceful paddling towards the village of Washago by connecting to the Green River. The river has a strong cultural and spiritual connection, the Mnjikaning Anishnaabeg used this river to travel South from Muskoka. This route is the perfect mix between a calm paddle, exciting white-water sections, and cultural significance. Plan to stay over night at Black River Wilderness Park, or extend your paddle on the Black River or Green River. It is recommended because of the flow of the river to start at the park.

# Severn River To Wasdell Falls

TOWNSHIP OF SEVERN

Lock 42

**WATERWAY** Severn River

**DISTANCE** 7-22 km Linear or Loop

**TIME** 8-9 Hours

**DIFFICULTY** Intermediate/advanced, depending on boat traffic and length

**TYPE OF ROUTE** Linear or Loop

Paddle the Severn River a section of the Trent Severn Waterway and experience the beauty of the waterways in Ontario's Lake Country. Plan to grab a snack at Lauderdale Point Marina before heading out. This paddle adventure takes you from the shores of Sparrow Lake to Lock 42 a great spot to stop for a break and to watch the boats pass by, admire the engineering involved in this national historic site. You can continue your paddle to Wasdell Falls a hydroelectric power dam created in 1914. For a longer paddle you can portage around Wasdell Falls to Black River. If a challenging but rewarding paddle is what you are looking for then look no further! This is recommended mid-week or during spring or fall seasons when the boat traffic is lower, which provides for a more relaxing paddle.

# Sparrow Lake TOWNSHIP OF SEVERN

**WATERWAY** Sparrow Lake

**DISTANCE** 12 km Loop

**TIME** 4-6 Hours

**DIFFICULTY** Easy/Intermediate

**TYPE OF ROUTE** Loop

Experience the beauty of Sparrow Lake. Paddle the shorelines which will take you in a loop of this breathtaking lake. Sparrow Lake holds a vast variety of wildlife and is a paddler's dream for beginner and advanced paddlers alike. The lake is popular among many cottagers and recreational boaters and offers some of the best fun on the water in the region. Start your paddle at Lauderdale Point Marina and paddle north-east along the shores towards the mouth of the Kahshe River. From there continue your paddle north to Goose Rock to observe the wildlife inhabiting this small island. Once you have reached the northern part of the Lake move south west and see the island archipelago many of which are occupied by small cottages. Continue south through Duck Bay and back to Lauderdale Point Marina. For a longer paddle you can connect to the Severn River in the south and north. Once back on land explore some of the many trails surrounding the area. If you are looking for a relaxing and easy paddle, this is the perfect route for you.

TOWNSHIP OF ORO-MEDONTE

Bass Lake Provincial Park

**WATERWAY** Bass Lake

**DISTANCE** 11 km Loop

**TIME** 4-6 Hours

**DIFFICULTY** Easy

**TYPE OF ROUTE** Loop

This little lake is home to one of Ontario's Provincial Parks which includes on site facilities such as camping, picnic areas, a beach, a playground, a retail store and rentals on site. Bass Lake's shallow, clear waters are the perfect spot to learn how to paddle. The west shoreline of this route is undeveloped creating a sense of seclusion including a marsh area to see wildlife, while the northeastern part of the route allows for the opportunity to stop along the shoreline and walk to the nearby restaurant. There are various locations to access the lake, but the recommended launch is right in Bass Lake Provincial Park. Your admission to the park will allow you to use their included amenities. Please note the operating hours of Bass Lake Provincial Park, mid-May to the last weekend in September. [www.OntarioParks.com/Park/BassLake](http://www.OntarioParks.com/Park/BassLake)
